

ADVANCED COURSE

The SGWorks Core Curriculum is a three-part transformational journey: The Basic Training, Advanced Course, and Leadership Programme. Each level builds on the last to serve one powerful purpose: empowering you to create the results that truly matter in your life. While each level delivers significant value independently, experiencing the full sequence is recommended for exponential impact: transforming potential into lasting habits. Secure your spot and create your life worth living today.

Leadership Programme Orientation

The purpose of this evening is to bring completion to your Advanced Course and to introduce you to the SGWorks Leadership Programme (LP). The LP is designed to empower participants to step beyond the ordinary and open possibilities for the extraordinary. It is a structure that supports you in transforming your vision into reality, grounded in a stand for accomplishment, contribution, and excellence. Tuition fee for the LP is SGD 1650.

Post Basic Guest Event

Guest Event is an opportunity to share with your family, friends, and associates the discoveries you have made in the training. It is a preview of the Basic Training which is experiential in nature. It is an opportunity for them to explore how SGWorks can support them in being empowered and inspired to accomplish extraordinary results in their lives.
